

Greek Orthodox Metropolis of Detroit Ladies Philoptochos Society

February 2023

Dear Philoptochos Chapters, Philoptochos Sisters and Friends,

With the spiritual blessing of Metropolitan Nicholas of Detroit, the Metropolis of Detroit Ladies Philoptochos Board is hosting its **“Purposeful Philanthropy”** Biennial Spring Luncheon on Saturday, April 22, 2023, at Saint Nicholas Greek Orthodox Church in Troy, Michigan.

The Metropolis of Detroit Ladies Philoptochos Society provides amazing opportunities to make a difference on the global level. Through our fundraising events and dedication, we can provide aid to a wide variety of charities on the international, national, and local levels. No organization is too big or too small. Our Metropolis of Detroit consists of 37 chapters in Arkansas, Indiana, Kentucky, Michigan, New York, Ohio, and Tennessee with a total of 2000 members. The women of Philoptochos are constantly fulfilling the mission of helping those who are less fortunate with an abundant capacity of love and kindness.

As the event draws near, we are reaching out to our Philoptochos chapters, sisters, and friends. We are always encouraged by the generous response that is received from our concerned communities and individuals. Your sponsorship to the event enables us to continue our philanthropic mission and endeavors.

Thank you for your help and generosity,

Debbie George	Theone Dickos
